Mission Person’s Report: Falon Cooksey, Reported Missing since 6/10/2018
From: Robert A. Williams

> *The attached notice was displayed on the bulletin board in the Post Office in Fallston. I borrowed it and scanned it for my records and to send to you. I have the original and will return it to the PO bulletin board tomorrow unless you advise me differently.*
>
> *Since the Mollie Tibbetts kidnapping and murder in Iowa has caused lots of interest and I have written related articles, I called the CC Sheriff’s Department about this missing person’s report to learn the status, whether or not this person has been found. I was not impressed with what I was told. I talked to four different people in your office and nobody has heard about this. The last person I talked to told me to call Sgt. Amy Stroup in the morning. I will.*
>
> *In the meantime, If there is no missing person’s report filed in this matter, please consider this a formal missing person’s report so that action can begin; although all I know is what is provided in the attachment. I will also post this message on my website along with the attachment to help jog any memories of this persons whereabouts.*
>
> *Hopefully this Falon Cooksey is safe and can be returned home as soon as possible.*

Thanks,

Robert A. Williams
