Cleveland County Schools—Lost and Found—$1,000 Reward!!! What is lost? A School Board vote on COVID Masks at School??? What else is Lost? High Citizen turnout at the School Board Meeting? Found—a $1,000 Reward to the First person who finds the vote on the July 26, 2021 CCS School Board Meeting Agenda!!! Report and Reward offered by Robert A. Williams

Folks, Cleveland County Schools Board of Education (School Board) has pulled another fast one. Please examine the Agenda for the July 26, 2021 School Board Meeting as provided below. I am offering to the first person in Cleveland County or anywhere else a **$1,000 reward** if you can show me where, on this agenda, that shows the CCS School Board was going to have a vote-or even discuss-COVID related mask requirements when CCS Schools open next month.

But the fact is they did have an illegal vote and a very lengthy discussion on COVID mask requirements. I say illegal as the attached agenda had been approved without any notice of

any kind of discussions on mask requirements. And, somebody leaked the fact that the School Board was going to have this vote. And, Channel 3 TV came out and did a news article that very night at 11:00PM. Go to this link below and see for yourself. Also note that I and clearly shown in some of the TV news shots, front and center and paying attention.

And PO'ed as there was no notice to the general public so citizens could come out and hear and see the nit-wit school board Chairman Robert "Luke" Queen and his band of monkeys who obviously did not want a high public turnout for this meeting. Or speak during Public Participation. If you go to the CCS website and watch the video of this meeting, you will see that Luke did NOT ask anyone from the public to speak during the School Board's discussion and vote on the matter. Typical "Deception as Usual" under the Luke Queen regime at CCS.

Check out this News Report.

Check out the Agenda for the meeting. Try to collect the $1,000 reward if you can.

I will even give you a hint. The discussion and vote on the COVID Mask issue occurred under the second page heading 11.03 Superintendent Update. So Superintendent Fisher was in on the deception too.

For a "Heads-Up," Other happenings, including the actual Motion and vote on the COVID Mask issue, at this school board meeting will be covered in other articles.

PS: "Luke" Queen still refuses to hold a discussion, as an agenda item, regarding CCS teaching Critical Race Theory.

Stay Tuned!!! These are YOUR children that YOU are being deceived about,
