Settled Politics 101: Federal and State Elections!!! Vote for Patrick McHenry, Ted Alexander, Tim Moore and Kelly Hastings!!! Report by Robert A. Williams

Cleveland County voters in the 2016 Elections made two things crystal clear.

1. We were tired of liberal National Level politics, so we voted overwhelmingly for Donald J. Trump for President. Trump won.

2..We wanted a continuation of conservative politics at the State level so we voted overwhelmingly for Governor Pat McCrory. But McCrory lost when his 20,000+ vote state-wide lead evaporated (most likely stolen) at 3 o'clock in the morning after the election in Durham County when all those Democrat marked ballots started coming out of the woodworks, car trunks, or wherever; enough to throw the Governor's Election to Roy Cooper.

Voters in Cleveland County, North Carolina and across the USA also did one more thing in the 2016 Elections. President Trump was now in the White House with majorities in both the US House and the US Senate. The Democrats have huffed and puffed and tried to blow the house down but we still have the right to own guns, have free speech and are about to confirm a second Conservative Justice on the US Supreme Court. Pending the issue of this woman claims she was "derailed" and forgot stuff for 36 years charging up the same Democrats that thought Bill Clinton never did anything wrong. Hillary Clinton either.

Isn’t it time to bring and keep sanity in Washington, DC and in Raleigh, NC?

Right now Roy Cooper might be in the NC Governor’s Mansion, but both the NC House and NC Senate have Veto-Proof super majorities of Conservative representatives who can pass any law, or repeal any law, they choose that are beneficial to NC citizens without fear of the Governor’s veto. And, they have done so.

But, as everyone knows, there is much more work to be done at the State level, like force the School Systems and Community Colleges across NC as well as Cleveland County to improve education, pass NC Constitutional Amendments to keep Roy Cooper’s activist judges from ruling stupidly that certain laws the citizens approve as constitutional amendments are “Unconstitutional” and other important things.

Therefore, Cleveland County needs to keep on sending conservatives to the US House of Representatives, NC House and the NC Senate. The US Senate too, but our two Conservative Senators don’t need our help this election cycle.

So, It is necessary to vote for:

Patrick McHenry for the US House 10th District.

Home boy Ted Alexander for the new NC Senate District 44 which includes Cleveland and Lincoln County.

Speaker of the House-NC District 111 Representative Tom Moore.

And, NC District 110 Representative Kelly Hastings.

Note that the Democrat-Socialists who promise free this, free that, free money, free Medicare (although they never paid a dime into the program) and free everything. Which will be paid for by those who work, like you, until you decide not to work anymore because all your hard earned wages are taxed to give to those that don’t or won’t work. The Democrat-Socialists

want to convince you to vote against McHenry, Alexander, Moore and Hastings. Isn’t that really all you need to know.

So, if you have some beef with any of these candidates, remember who the alternatives are and what they stand for. Just a bit of clear and critical thinking should do here. Vote for McHenry, Alexander, Moore and Hastings. Remember MAMH for McHenry, Alexander, Moore and Hastings. That doesn’t spell anything, but that is OK. These are all well seasoned and known to be good representatives; which is what we are looking for in the first place. Fancy acronyms on Democrat-Socialists bumper stickers and Billboards don’t fool us.

Local candidates and Judges are a different story, Full information about all these races; Commissioners, Sheriff, District Attorney, Judges, etc. are coming soon. Remember to vote for Patrick McHenry, Ted Alexander, Tim Moore and Kelly Hastings and why. Stay tuned for the local stuff.
