

Trouble in Paradise-Part II DSS Director On the Way OUT!!! Report by Robert A. Williams

Cleveland County has refused to confirm whether or not DSS Director Karen Ellis Prichard was being fired. They just refused to say anything. But we now have proof that our October 17, 2018 article was 100% true. An invitation to Karen Prichard's DSS Retirement Party.

Go back and read the original article posted on October 17, 2018. Now, look at the Retirement Party Invitation to Karen Prichard's Retirement Party. That Prichard is leaving DSS is no longer in question. Prichard leaving DSS is real and 100% true.

It has also been confirmed by sources that Karen Prichard is not leaving her high paying job at DSS voluntarily. Prichard is being forced out for some (YET) unknown reason. And Prichard is also said to be lawyering up. I smell a lawsuit. Another lawsuit against DSS or Cleveland County.

Stay tuned. Cleveland County might hide for a while, but the full story will eventually come out.
