

A Picture is Worth a Thousand Words!!! Sales Tax Increase—Recommended way to Vote!!! Recommendation by Robert A. Williams and many others

It's an old saying; "A picture is worth a thousand words." That is also true for the Commissioners ill-conceived scam on taxpayers hidden at the end of the 2019 Election Ballot. The Commissioners want more of everybody's money and they won't tell nobody just exactly what your increase in taxes will go for. Meaning it can go for anything. Or nothing!

Anyway, the picture is shown below. It is a picture on how you should mark your ballot in regard to the Sales Tax Increase Referendum in Tuesdays Election ballot. Vote AGAINST it!!! If the commissioners won't tell us exactly where this money is going to go, just vote NO. Which means you vote AGAINST the referendum. When the Commissioners tell us the truth, maybe then we might vote yes. When the commissioners cut out all the \$Millions in waste, maybe then we might vote yes. But, as long as we have these tax and spend commissioners, we must vote AGAINST a sales tax increase. Every time.
