

Another Concerned Parent Sends a Comment!! Suzan McKinney Parris Speaks Out!! CCS Lawsuit Against Sheriff Alan Norman!! Ms. Parris Comment forwarded by Robert A. Williams

Robert,

I do plan on speaking tomorrow night and I pray that you once again, support and defend me in fighting for my son! The lawsuit against Sheriff Alan Norman, who has done so much for this community and school system, should concern every Cleveland County resident!! It's time everyone knows the truth!

Suzan McKinney Parris

Editor's Note: Ms. Parris's autistic son is a student at North Shelby School. The boy was severely injured when savagely attacked by a CCS teacher. CCS Administration and Board originally refused to explain to Ms. Parris what happened that caused her son to be taken to the Emergency Room for a seven-inch gash in the back of his head. Of course, I will continue to assist and support Ms. Parris in her quest for truth and justice in this matter. Especially since the School Board, minus Danny Blanton, have sand-bagged Ms. Parris and called her names. I predict legal actions against the School Board and Administration. YOU heard that HERE first.
