

Impeachment Trial for President Trump!! Call Your North Carolina Senators and Sound Off!!

Citizens,

Whether or not you believe the US Senate ought to see documents and hear witnesses in the impeachment hearing, it is important to let our NC senators know what we think should happen. Here are the contact numbers for both of them. You will most likely get a recording to leave a message. They need to hear from constituents today or tomorrow.

Sen. Richard Burr DC office, 202-224-3154 / Local, 336-631-5125

Sen. Thom Tillis DC office, 202-224-6342 / Local, 336-885-0685

Feel free to share with other NC voters.
