Breaking News-Cleveland County Has a Republican Sheriff!!! Sheriff Alan Norman Cleveland County's Latest Republican!! Report forwarded by Robert A. Williams

Sheriff Alan Norman has announced on his Facebook page, that he has filled out the Board of Elections paperwork to change his party affiliation from Democrat to Republican.

Sheriff Alan Norman's exact words are:

> *"After much thought and prayer, I submitted paper work to the Board of Elections to change my party affiliation to the Republican Party. I did not leave the Democrat Party, the party left me. Enough said!"*

Sheriff Norman's Facebook page has lit up with positive comments. That is a good omen for All Republican candidates in the 2020 elections. Sheriff Norman is not up for re-election until 2022.

Why Sheriff Alan Norman chose this time to announce his change in part8y affiliation is anybody's guess right now. But, after watching President Trumps State of the Union Address last night and the Democrat's actions and responses, I would speculate that it was about time.

Other than that, I will take Sheriff Alan Norman's lead and just say, for now, "Nuff said Alan!!!"
