

Bill Gray Speaks Out about Sexual Predators infesting CCS!!! This is a “Must Read” for those who LOVE your children!!! Forwarded and recommendations added by Robert A. Williams

Hello Neighbor,

At the last School Board Meeting, (Feb. 10, 2020) a Lady spoke about the infestation of pedophiles in OUR SCHOOLS. This is rampant all over North Carolina. The only response that I have read from this fool school board is to have a training course to remind employees that they should not have sex with their students!!!

There is a Lady in the Raleigh/Durham area that has tracked this “Quite Epidemic” for years. See the link below. Stand up for your family. No More QUIETNESS on this EPIDEMIC.

I ran for School Board in 2015. I am most sure that many of the Candidates knew or should have known what was coming to Our Schools. I believe that the Candidates who did win, knew. I invite you to read a post that I wrote in 2015. It is more important NOW then it was in 2015, that we replace these School Board Members.

We are now seeing just a FEW of the NEW things that are coming down the pipe.

If we don't elect a New School Board this year, my advice is to consider getting your children out, any way you can!
