Folks. If you think that, just because I am mostly doing Election “stuff” right now, that everything else involving corruption in Cleveland County is just standing still; You are wrong!!! The Items in the title above are all alive and well and percolating through the Cleveland County Courthouse and the Federal Courts in Asheville. They are all on my “To Do” list. I will get to them as soon as possible.

But, it is true that there is a 2020 Primary Election going on right now for both the Republican and Democrat Party candidates and a few more Primary races, such as Libertarian Party, the Constitution Party and the Green Party!!!

Stay tuned folks, we will get to them as we can.

In the meantime, get yourself informed about the Commissioners Race and the School Board races in the Republican Parties. These races will have the biggest impact at the local level. Our recommendations for these races are provided below by a marked-up sample ballot.
