

2020 Democrat Primary-Marked-up Sample Ballot-All Offices!!! Recommended Candidates!!! Voting Recommendations by Robert A. Williams

A Marked-up 2020 Democrat Primary Sample Ballot for all the offices has been prepared for your convenience. Print off a copy and take it to the voting booth with you when you go vote on Election Day.

Note that the format is for an 8 x 14 page. If you cannot print off an 8 x 14 page, change your settings for an 8 x 11 page.

We have studied each candidate for every office and believe each of our recommendations is the best candidate for the office from a Democratic Party perspective. For President, State Offices and especially the local Judge. Other articles have been published about the local offices.

Note that this 2020 Election is one of the most critical in the history of our Nation, State and County. Please do your duty and vote for the candidate of your choice. That is what I intend to do.

See you at the Ballot Box on Election Day, this Tuesday, March 3, 2020.
