

All NC Churches Closed by NC Governor Roy Cooper!! –Will reopen in a few months, MAYBE, Maybe NOT!!! –Thank you, come again Governor Roy Cooper–Enemy of the People!! Rev. Dr. Lamont Littlejohn Too?? –Reminders by Bill Gray, reprinted with Comments and arguendo by Robert A. Williams

Editor's Note:

The First Amendment says:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

Folks, Let's count the ways North Carolina Governor Roy Cooper has violated the US Constitution by closing down churches. Only counting the First Amendment as it relates to Religion. And Rev. Dr. Lamont Littlejohn backs crooked Gov. Cooper. Making Little john an enabler of a crook(s). And if you are just like a crook, aren't you a crook too? Think about that!!!

1. "Congress shall make no law respecting an establishment of

religion, or prohibiting the free exercise thereof."

Note, If the US Congress cannot make laws regulating the establishment of religion or prohibit the free exercise thereof, who the heck does Roy Cooper think he is, the King of the World? Roy Cooper is a Dictator, a crook and an outlaw, clear and simple in this regard. With Rev. Dr. Lamont Littlejohn joining in with the closing of Mt. Calvary Baptist Church-with no inclination to open his Church for the saving of souls. But keeping it shut as long as he can so he can have more time to "flip" the old North Shelby School property without having to put up the \$500,000 the Church bid on the school property. All the while the School Board is letting Littlejohn off the hook. All in the name of the COVID-19 pandemic and Coopers illegal emergency orders.

2. "or the right of the people peaceably to assemble"

Note: With Cooper's lockdown notices and so-called Emergency Orders, here is another prime example of Governor Roy Cooper exceeding his authority by single handedly ordering Churches to close their doors and not allow the congregation to congregate. With no complaints from Rev. Dr. Lamont Littlejohn as noted in a recent article in the Shelby Star where Rev. Littlejohn voiced his advocacy of Cooper leaving churches shut down. True Sons of Satan???

It can easily be concluded and said that NC Governor Roy Cooper and Rev. Dr. Lamont Littlejohn have taken up to doing the Devil's work by closing down the churches in North Carolina. Also, by closing down the public schools and other businesses, Governor Cooper fully intends to destroy Public Education as well as the economy. By closing schools and sending the kids home, parents can't just ignore Cooper and go to work anyway, if they do that Cooper sends out the DSS to take the children from their parents. By keeping parents from being able to go to work, the economy is shut down automatically. Simple as that-one, two and three.

Folks, this is the 2020 election year and Roy Cooper and a bunch more of Democrats are up for reelection. Get rid of them all in November. As for Rev. Dr. Lamont Littlejohn. It is way past time to for him to pay up for the old North Shelby School Property. Mt. Calvary is technically in default and Rev. Dante Murphy has submitted a bid for the school property with a deposit. Rev. Murphy would make a "Charter-like" School (maybe a church school) for minority children so they would finally get the good education Democrats like Roy Cooper have promised since 1954 but never delivered on. And never will as long as "coon" season is open.

**That being said, Bro Bill Gray has a request:
"Please repost this Mr. Williams."**

Another Sunday with empty Cleveland County Churches!

(Roy) Cooper's Requirement to Postpone Church Until Beyond May 23: What Christians' Response Must Be

Editor's Note II: Folks, check out the links noted above that Brother Bill Gray has found and provided for our information. Get yourself informed on what is going on and what can be done about it. Also note that the State Supreme Court in Wisconsin has ruled that the Governor of Wisconsin, Like Governor Roy Cooper of North Carolina, has over-stepped his constitutional authority by shutting down Churches. For exactly the reasons noted in this article. The United States Constitution-First Amendment.

We can get rid of Roy Cooper on election day. Attorney General Josh Stein too. And school board members Shearra Miller, Richard Hooker and Roger Harris while we are at it. We will all be glad when these crooks and liars get run off on election day-2020.
