

2020 Traditional High School Graduations Set to GO!! –NOT at Schools but at Area Churches!!! –Report by Robert A. Williams

Just because the very, very, very foolish Sleaze-land County School Board was stupid enough to defy the public Peaceful Protesters by closing-down Traditional Graduation Ceremonies for the 2020 graduating seniors does not mean the battle for sanity and reason. has been lost. Indeed, the Peaceful Protesters have just shifted focus to the Highest Power in the Universe-Cleveland County Churches. The Traditional Graduation Ceremonies will be held in full “pomp and circumstance” around Cleveland County at several different churches.

My understanding so far is the Burns High School graduation services will be held at Polkville Baptist Church. Landmark Baptist Church will be the location for a Traditional Graduation and other Churches, presently unknown to me, will be holding Traditional Graduation Services so that, in the end, no graduating Senior will be without the opportunity of celebrating their High School graduation with their family, friends and other classmates. It is also my understanding that some graduating seniors’ parents are resisting this because of political pressure, intimidation and retaliation from CCS. I expect that CCS teachers and staff that are parents of graduating seniors are the most affected by such foul and foolish tactics that Cleveland County Schools have become famous for.

So, all you parents of graduating seniors that might not yet have the word. Stay tuned to Facebook and here for the

schedules and locations of the various traditional graduation services and locations throughout Cleveland County. The First Amendment and especially the Will of God will cause the nit-wit pals of Governor Roy Cooper to be restrained from continuing their efforts to close-down Churches for political purposes. And that is what this CCS ruling is for-political purposes. Stay tuned for the explanation of that. And how Governor Roy Cooper and the School Board have brazenly chosen to destroy the biggest achievement of their lives for the graduating seniors in Cleveland County for the sake of partisan politics at its most crude and lowest form. The evidence and proof of that was provided to me at the Shelby Good-Will Store, of all places, and will be provided shortly in that article.

Stay tuned folks. And don't forget that all of the false pride and self-serving arrogance of a rogue school board can completely be defeated by voting for Robert Queen, Ron Humphries, Rodney Fitch, Joel Shores and Samantha Davis for the School Board in the 2020 Elections.
