

No Lives Matter for Democrat School Board Candidates Roger Harris, Shearra Miller and Richard Hooker!!! –Proof provided by Robert A. Williams

The following screenshot between Roger Harris and one of his big buddies speaks for itself. Besides the racism, trash talking, N-Word and making jokes about the murder of a young white woman by an illegal alien; Roger Harris, aided by Shearra Miller, Richard Hooker and others, have worked in lockstep to cover-up sexual crimes against minors (one that Roger Harris is alleged to have personally caught in the act while he was Principal at Crest High School), injuries to students, major fraud of taxpayer money during the years-long P-Card abuse that was never prosecuted, illicit sex and likely fraud at Communities-In-Schools, violations of state law by allowing sex-changelings' to use the bathrooms of the opposite sex and continuing acts of deception, out-and-out lies, and cover-ups of all sorts. Waste, Fraud, criminal acts, etc. retaliation. And that is just what I personally know about.

In my opinion Roger Harris, Shearra Miller and Richard Hooker have aided and abetted crimes and illegal actions in violation of the law and school policy. But folks, don't believe a word that I have said. Read the screen-shot below and form your own opinion on whether or not Roger Harris and pals Shearra Miller and Richard Hooker deserve to be re-elected to the CCS School Board.

Voting for Robert Queen, Ron Humphries, Joel Shores, Rodney

Fitch and Samantha Davis for the School Board on November 3, 2020 will remove many of the problem people at CCS and set CCS on a sure path to finally provide a good education to those 15,000 students that attend CCS without waste, fraud and other crimes that now stay unpunished.

Also note that there were no protests, riots, looting or violence as the result of Mollie's murder at the hands of an alleged illegal immigrant. The First-Degree Murder Trial of her alleged killer is set for September of this year in Iowa. Only jokes by Roger Harris that were defended by Shearra Miller and Richard Hooker when I called Harris down for this egregious example of racism, HATE and "don't give a damn" from Harris, Miller and Hooker.
