

Breaking News - Breaking News!!! Courthouse Drug Scandal! Two Courthouse Female Employees Indicted!!! Jailer Fired!!! All Drug Related!! Source Report by Robert A. Williams

Trusted sources report that TWO Female Courthouse Employees were indicted by a Grand Jury today and will be served with arrest warrants tomorrow. One of the female employees was allegedly caught on Courthouse property with a large quantity of "pain pills. The other female was reported to allegedly been caught with drugs and used to "Narc" on others. It was also reported that a Jailer was recently fired for allegedly stealing clothes and other valuables from inmates to feed his own drug (meth) habit.

Note that I will not provide any names or other specific or personal information until the warrants are served and become public record. I always take care to protect the identity of my sources.
