North Carolina Attorney General Josh Stein Requested to Investigate Criminal Assault on Autistic Child, (and other assaults on disabled children) at North Shelby School. CCS School Board does Nothing!!! This is a MUST-READ Article!!! Report and documents provided by Robert A. Williams

Editor's Note: Please do not believe a word I say in this article. Read the documents provided and form you own opinion on how Cleveland County Schools, the Shelby Police Department, the District Attorney's Office and the New School Board Majority operates. I find all of this extremely troubling and disturbing. I recommend all of you read this entire report and form your very own opinion. And then take ACTION!!! All of those involved can be removed from their positions if enough Citizens get involved and speak out. Note that I also intend to copy Speaker of the House Tim Moore, Representative Kelly Hastings and Senator Ted Alexander of this matter. As well as Sheriff Alan Norman, District Attorney Mike Miller, SPD Chief Jeff Ledford, the School Board, Commissioners and even the Shelby Star. There will never be another such a cover-up as this as long as I am around!!
