Freedom Rally this Sunday, Aug 8th 3:00 PM Starting at Old Shelby Court Square to Atrium-Cleveland Public Service Announcement provided by Robert A. Williams

This “Flyer” was provided to me for publication. I plan to attend.

Please note that this is an old-time “grass roots” effort to inform our elected officials that the Citizens of Cleveland County are alive and well. And are speaking out about the way we feel about issues. Basic “American style” Democracy in action. I urge everyone that can to attend events such as this. We can and will eventually take our government back from the elitist politicians in Cleveland County, Raleigh and Washington, DC. The more power to the people the better.

Note that this will all be held on public property. No riots or looting or violence of any kind or form are expected or will be tolerated

See Flyer Below!!!
