

A Tsunami of Lawsuits is about to hit Cleveland County!!! I told you so Hundreds of Times!!! Channel 3 News told the World last night on the TV News!!! I told you so report by Robert A. Williams

Folks, there are major lawsuits brought about because rogue DSS agencies across the state of North Carolina have been doing lots of bad things to lots of people. At this very minute Cherokee County, high in the mountains, and New Hanover County down by the Atlantic Ocean have multi-million-dollar jury awards against them with dozens more similar cases waiting to be tried. The liability insurers for Cherokee and New Hanover counties are refusing to pay off the jury awards because of official and long-term neglect by county officials to provide oversight to the county DSS. Now Cherokee County and New Hanover Counties, both facing bankruptcies are suing their insurance companies. Trying to get somebody else to have to pay for the damages that they have done to others.

I have been sitting on this information, knowing that Cleveland County is in exactly the same position, but waiting for the proper time to tell the story. Tonight (March 7, 2022, at 7:30 PM) an investigative report by WBTV-3 in Charlotte has told the story. Not about Cherokee County (although that county and others were mentioned) or New Hanover County-but Cleveland County. Cleveland County. Cleveland County was

portrayed as a county of fools and rightly so.

But, don't believe me. You can see for yourself.

The links below are for the News (tonight and for another hot episode in Cleveland County a couple of weeks ago. And I am sure more bad news is 'coming!!!. Chew on this news for a while. Be sure you are sitting down.

Stay tuned for more information to come. I have been smelling rats for a long time with the CCDSS and their very long-time lack of oversight by the Cleveland County Commissioners. After this Channel 3 news went out, I am positive lawyers from around the state will be circling like a big flock of vultures. Ready to swoop down and feast on the easy pickings.

There will be more later. Much more!!!
