Alexander Speaks OUT: All School Board, except Blanton should be terminated immediately!!! Opinions-protected speech-forwarded by Robert A. Williams

RAW: People like “Luke” ARE the Reason we have a “new” racist, clueless, “black woman” becoming a Supreme Court Judge! (SICK)

It’s also the REASON we have a senile old man (?) in the White House. A man where they staged him (or body double) riding a bicycle with a Secret Service Agent (old video, BTW) to make it look as Manly as Putin, riding bareback on a horse, with no shirt. (Not even close, on the Image of the USA.)

Furthermore, a man (?) not even in control of his bowels (defecated his pants on Live TV, when with the Pope. FACT

Yes “Luke” YOU and conspiring weak ass R’s ARE the CAUSE of the crap, in and around THIS Present Administration – keep it up and “THEY” (and YOU) will succeed in totally destroying the USA!

BTW ALL, except Danny Blanton should be Terminated from any involvement with Schools Immediately. Including that worthless Superintendent and staff, covering up “special” hiring and many other coverups.

AKA: Alexander

Editor’s Note: Many Conservatives in Cleveland County share Alexander’s ideas. Especially terminating all the School Board except Danny Blanton. Supt. Fisher and other staff also. And,

the many problems started by the weak-ass R's—Rogue Republicans!
