Alexander Speaks Again, Dinah Speaks for the first time!!! Both in Regard to CCS Lawyers doing Political Dirty Tricks!! At CCS School Board Chairman Robert Queen's Bidding!! Comments forwarded by Robert A. Williams

Alexander Speaks in his own special way. In regard to my article regarding the School Board Lawyers doing Political Dirty Tricks for the Rogue Republicans: Robert Queen, Dennis Bailey, Kevin Whisnant, Wes Westmoreland, David Allen, Guy Smith, and others in favor of their hand-picked School Board candidates Walter Spurling, Glenda Womack, Aaron Bridges, and Dale Reviere.

> *This time Alexander says:*
> *Nothing attached. You may "fix" the following, Robert. Alexander now; Constitutional Alex.*

Editor's Note: Alexander, I noted an attachment but later incorporated the attachment into the body of the article. Forgetting to take out the reference to an attachment. Sorry for any inconvenience.

> *Constitutional Alex continues:*
>
> *Although sounds like that Attorney may be reaching to "Violating people's US Constitutionally Protected Rights" where, two or more instances, constitute a "Continuing Course*

of Conduct" which automatically becomes a R.I.C.O. violation. Federal Felonies. As well as Civil Forfeiture of everything the Attorney Owns (of course, will now try to avoid that by putting it into the Name of someone they "trust" lol).

On the State Level, theft of money, under false pretenses, Conspiracy to Defraud, Acting as an Officer of the Court (like intimidating Citizens Under Color of Authority. As well as MANY other Civil and Criminal Violations.

SHAME on these FAKE R's who obviously prefer "fake, perceived power" over following the U.S. Constitution. R's like these, make the DEMONRATS start to look good (SICK).

Those who refuse to learn from History, let others Repeat It! GO BRANDON!

Alexander

Dinah Speaks for the First time: That is, with a Pen-Name. Dinah has often made comments that I previously called a "Trusted Source." One of many.

Dinah means "Judgement" in Hebrew. Dinah, like Ariel, does their special research, finds the corruption, and reports it for all to know about the bad stuff that is going on all around us.

Dinah says:
"It wouldn't be a good idea for Mr. Ron Humphries to delete his campaign page. See attached from his campaign page. Read down to his "Promise" (Third Paragraph from the bottom)

Dinah

Editor's Note: As you can see below, Dinah does much better with screenshots than I do!!! However, the message from Ron Humphries's Facebook page and his actions in office are telling. Ron Humphries is just another liar politician who

says one thing and does another. In the Robert “Luke” Queen MO. I say we have to get rid of them ALL if CCS will ever function as an institution of education instead of all the lies and political dirty tricks. A part of the problem instead of a part of the solution.

Ron Humphries 4 Cleveland County School Board

Nov 10, 2020 ·

Today marks one week since the Citizens of Cleveland County elected me to the School Board!

Again, my gratitude for all the prayerful support I received. I continue to need your prayers as I move into this position. There will be many tough decisions to make during the next four years. Pray that God will grant me the wisdom to make the right calls.

I'd also like to take this opportunity to thank the departing board members for their many years of service.

I promised many of you that I would keep this Facebook page and my webpage going as a way to communicate with the citizens. I am fully aware that I'm your representative and understand the enormous responsibility of this position.

I have been doing lots of research preparing for being sworn in on December 14th and plan to hit the ground running. I am committed to pursuing excellence in our school system.

"There is a difference between interest and commitment. When you're interested in doing something, you do it only when it's convenient. When you're committed to something, you accept no excuses, only results." Kenneth Blanchard
