

Correction: School Board Member Rodney Fitch is NOT on the Cleveland County Republican Party Executive Committee!!! Correction by Robert A.

In regard to my most recent article titled Rogue Republicans are Traitors to the NC and CC Republican Party, I received a telephone call from School Board member Rodney Fitch at 3:18 PM today (April 29, 2022). Mr. Fitch graciously informed me that I had incorrectly named him as a member of the Cleveland County Republican Party Executive Committee, when, in fact, he was NOT a member of that often-infamous Committee.

I replied to Mr. Fitch that I thought that he, being an elected official in Cleveland County and a Republican, was automatically a member of that Committee. "No" says Mr. Fitch. "By being an elected official, I AM eligible, without a question, to become a member of the Executive Committee, but only if I pay \$100 membership fee. Which I did NOT pay."

I told Mr. Fitch that I did make a mistake then and that I would gladly make an immediate correction. Which I have already done. Mr. Fitch's name has been removed from the published article and this notice is sent to make a published acknowledgment that Mr. Fitch's is NOT a member of the CC Republican Party Executive Committee. Which I feel most people in Cleveland County will be glad to hear.

Actually, I was glad to hear it too. And I was also glad to be able to make this correction.

And, there is more.

I also asked Mr. Fitch if he was a part of those that are scheming to get rid of Danny Blanton from the School Board? Mr. Fitch said that he was not a part of that. That Danny Blanton was a friend of his and a fellow Republican. That if he allowed a yard sign from any Republican in his yard, he would allow all seven school board candidates to put yard signs in his yard.

Well folks, Fair is Fair. Again, I made a correction to a mistake I made and was glad to do so. I would certainly welcome the opportunity to do this again when anything I write is not entirely correct.
