

Mollie Speaks: Snub-licans Now Supporting Democrats??? Rogue Republican “Snub- licans” NOW Supporting Democrats after failure to Defeat Danny Blanton and Ronnie Grigg in 2022 School Board Republican Primary Elections!!! Comments and Commentary provided by Robert A.

Mollie says:

So, Dale Rivera sent out on “messenger”, that now “we need to support the republicans who are “the real Republicans for the children.”

So, does that mean Ronnie Grigg and Danny Blanton are NOT the Real Republicans or NOT really for the children???

Take it back Dale Riviere. The people have spoken. They LOVE Danny Blanton and they believe in Ronnie Grigg.

I have a question for Dale Rivera and the rest of the Republican Party.....are YOU, as a Republican, going to support Danny Blanton and Ronnie Grigg in the General Election???

Mollie

Robert A. replies:

Thank you, Mollie for your comment and very important question.

I tried to look up Mr. Dale Riviere's "Messenger" comment and could NOT access it. I WAS able to access Mr. Riviere's Facebook Campaign and unfortunately found proof enough that the gist and essence of what Mr. Riviere is reported to have posted is 100% TRUE.

For instance: On the morning of the May 17, 2022 Election Day, regarding the 2022 Cleveland County School Board Republican Primary Election, (before the polls actually opened, Mr. Riviere wrote:

2022 School board election! VOTE today!!

Don't vote for politicians with billboards

Don't vote for people with vendettas against sitting school board members and administrators

Don't vote for an individual mentality

Don't vote for destroying our school system

Vote for people with good values and REAL concerns

Vote for those who will represent you

Vote for those that understand it takes 9 board members to make and manage policy

Vote for our children and teachers to preserve and improve our school system!

Vote

Cleveland County no matter what you have heard about all this school board race he said, she said stuff, I want to ensure the voters as I have from day one the following: I have no

political agenda in running for the school board. As a parent I have seen issues that I feel need addressed and fixed, rather than just sit back and complain I decided to run to help make a difference. I am not against any other candidate or sitting board member! I am about helping by working with everyone possible including parents, teachers and taxpayers to get solutions for our school system! I don't want power or recognition, I simply want to help make a positive difference in our school system and this community. No one controls me, nor if elected will they. I have a mind of my own and will work to the best of my ability! Please get out and vote today and when you do, Vote Aaron Bridges for Board of Education! Thank you and thanks for your support!

Within 12 hours after the Polls are closed and winners are declared:

Trust me when I say, I'm ok. In fact, perfectly ok with the results. God has other plans for me or maybe he saved me from all the drama, I don't know but I'm completely ok with it.

Thank you thank you thank you all for the support, encouragement and prayers.

Please stand behind Aaron Bridges and Walter Scott Spurling Campaign Page as they will need your support in November. They are the two that are in it for our children.

In addition, Robert A. says:

After the phony WeRCC (Women Republicans of Cleveland County) School Board Candidates forum, I spent a very long time with Mr. Riviere trying to explain why he, as a School Board member, should NEVER vote to approve ANYTHING until HE had all the facts necessary to justify his vote of approval. From the information above, that came directly from Mr. Riviere's own writings from his own Facebook Campaign Page, my words to Mr. Riviere went in one ear and out the other ear without hitting any grey matter in between.

But I will offer what Robert A. uses for political criteria in making his decisions on political candidates. My recommendation to Dale Riviere and the others is to pay attention:

□YOU are either a part of the SOLUTION, or YOU are part of the PROBLEM!!

□It is NOT what you SAY that counts, It is what you DO that counts!!!

Mr. Riviere, you seem to want to believe that YOU are doing what is right. But YOU have been ill-advised and your judgement is lacking. And YOUR puppet masters: Rogue Republicans and Snub-licans Dennis Bailey, Ron Humphries, Wes Westmoreland, Kevin Whisnant, David Allen, Pam Keller, Robert "Luke" Queen and others have deceived YOU. I submit to you that Danny Blanton and Ronnie Grigg are the "REAL" Republican Candidates that actually care for the Children of Cleveland County more than their own personal gain or political power.

I also submit to YOU that YOUR support for ONLY Walter Spurling and Aaron Bridges, gives aid and comfort to the Democrat Candidates in the November-General Election. Which is a step backwards in reforming the issues and fixing the problems at Cleveland County Schools.

Please take Mollie's advice and mend YOUR ways. REPENT!!! And try to convince Aaron Bridges and Walter Spurling to do the same.
