Republican Recovery Plan
submitted by Robert A**

Rogue Republicans Dennis Bailey, Kevin Whisnant, David Allen, Robert Queen, Wes Westmoreland, Guy Smith, Ron Humphries, the entire TEA Party and WeRCC crowd, and others seem to have fallen off the face of this Earth. Or are hiding out in some deep and dark hole. Good! Let them stay there from now on. It serves them right for all the bad stuff they tried to pull in

the 2022 School Board Primary Elections. Scroll on back for a long line of articles that spell out most, but not all, of the Republican STUPIDITY and CORRUPTION.

Their heinous plan to get rid of Danny Blanton and then Ronnie Grigg and Annette Fain in the 2022 Republican School Board Primary Election was a disaster. Danny Blanton won more votes than any other candidate on the ballot-for any office except for the US House. Where Patrick McHenry won just a few more votes. Ronnie Grigg also did well in a strong finish. Health issues ended up slowing down Annette Fain. Otherwise, she may have also won. (Word is Annette's operation has turned out well.)

Now, word has just come to Robert A that the Rogue Republican Snub-licans wouldn't even join in with all us regular people at the Uptown Shelby Fire Department on Election night. A longtime tradition in Cleveland County. But N000oooo!!! The Snub-licans were too good for us pee-ons. They all showed up at the uptown Dragonfly Bistro where they could watch the election returns on their Yuppie Wi-Fi Hot-Spot Chromebooks, sip on fine wine and cheer on their Fabulous Four for the School Board. Word also has it that Robert "Luke" Queen was loudly cheering on the demise of incumbent School Board member Danny Blanton right down to the last precinct. Always saying just one more precinct and the votes would come in to beat Blanton. While Blanton was leading from the very first returns all the way to the last. What a wine induced hangover headache they must all have had the next morning.

Ahhh, that next morning. The Wednesday after the Primary Election. The very same Wednesday that the Snub-lican "leadership had planned to hold a big Special Called Meeting to announce the victory of their Fabulous Four as winners of the 2022 Republican School Board Primary Election and that all us "Pee-ons" had better get to work making sure the Fabulous four won against the Democrats in the November Elections. Only thing was, that Victory Celebration Champagne filled Punchbowl

had a “turd” floating around in it. The election results with Danny Blanton and Ronnie Grigg winning against all odds.

That Wednesday’s meeting was immediately cancelled by the Snub-licans. So was the monthly GOP Regular meeting scheduled for that very next Thursday. Too close to the Memorial Day Holidays was the last-minute excuse by the Snub-licans. With everybody knowing the real reason. The Snub-licans were going to have Hell to pay for their failed “fait accompli.” For those not acquainted with the term “Fait Accompli,” it means a thing that has already happened or been decided before those affected hear about it, leaving them with no option but to accept it.

These Dennis Bailey, Robert “Luke” Queen, Wes Westmoreland, Pam Keller, Ron Humphries, Kevin Whisnant, David Allen Rogue Republican, Snub-licans all looked like and were now proven to be corrupt and despised FOOLS. For everybody to laugh at and ridicule them. EVEN DEMOCRATS!!! NOoobody but NOOOoobody has any use for this crowd anymore. Including their two remaining TAINTED candidates, Aaron Bridges and Walter Scott Spurling. Who are very likely to be badly defeated by two Democrats in the November 2022 General Elections.

Now, word has come to Robert A that some Rogue Republican, Snub-lican “Minions” have approached both Danny Blanton and Ronnie Grigg to work with the Rogue Republican recruited candidates as a “show of party unity.” Especially after Robert A has published recommendations that all GOOD Republicans and Unaffiliated voters only vote for Danny Blanton and Ronnie Grigg in the November 2022 General Elections.

And NONE of the Snub-licans have apologized to Danny Blanton or Ronnie Grigg for all the dirty tricks and defamation that they have thrown at Blanton and Grigg during the 2022 Primary Election. Robert A certainly still believes the Rogue Republican Snub-licans will try to sabotage the election of Danny Blanton and Ronnie Grigg in the 2022 General Elections.

Even if they have to secretly support two Democrats in the General Election to pull it off. Robert A has said it many times, "the Republican Party so-called leadership would rather have a Democrat in office than a Republican that won't Kiss Their ASS." So, Robert A still recommends ALL good Republican and Unaffiliated voters to only vote for Danny Blanton and Ronnie Grigg for the School Board in the 2022 General Elections.

HOWEVER, there is a possibility for a Republican Recovery Plan. This is how Robert A sees such a plan and how it could actually work. Although it is NOT likely the Rogue Snub-licans are smart enough to willingly accept such a plan.

Robert A's Recommended Republican Recovery Plan:

1. Remove Aaron Bridges and Walter Scott Spurling as Republican Candidates for the 2022 School Board General Elections. This can be done by Bridges and Spurling voluntary withdrawal-resignation from the school board race AND as a Republican Party disciplinary action against them for their part in Robert Queens corrupt scheme.

2. Remove Robert Queen, Ron Humphries, Dennis Bailey, Wes Westmoreland, Kevin Whisnant, Pam Keller and David Allen from all Republican Party leadership positions as well as from any elected or appointed governmental positions as a disciplinary action for their violations of the Republican Party Plan of Organization and other UN-ethical and illegal actions (defamation).

3. Appoint, from the list of names provided below, to the School Board 2022 Candidate vacancies (Bridges and Spurling) two from the list noted below: (Names are in alphabetic order.)

Samantha Davis

Annette Fain

Marjorie Hooper

Nannette Leonhart
Dena Spangler
Tanzy Wallace

These potential candidates are recommended because they are:

- ☐Republican Women not related, by blood or thought, to any of the Rogue Republican, Snub-licans.
- ☐Mothers who have shown interest in finding and correcting problems within CCS.
- ☐Fair-minded persons who do NOT share any apparent hatred for Danny Blanton or Ronnie Grigg.
- ☐Fair-minded persons who are independent thinkers, qualified, diverse and determined.

Editor's Note: This Republican Recovery Plan is about the only thing that could change our Good Republican and Unaffiliated voter recommendations for the 2022 School Board General Elections. Otherwise, it stays the same. Vote for Danny Blanton and Ronnie Grigg ONLY in the 2022 School Board General Election.

The CLOCK is ticking!!! And the time to elect an all Republican School Board is running out!!!
