

City of Shelby looking for “New” City Attorney!!! “Old” City Attorney accepts County Attorney job in Guilford County!! Report provided by Robert A

An advertisement for a City of Shelby “Interim” City Attorney caught a CGG reader’s attention. A bit of research revealed a notice in the County News section of the Guilford County North Carolina Website which stated **“Guilford County Names New County Attorney Andrea Leslie-Fite brings more than 15 years experience representing local NC Governments.”** That notice also stated that Attorney Andrea Leslie-Fite’s first day in Guilford County will be August 22, 2022.

Robert A, speaking for Citizens For Good Government, wishes Attorney Andrea Leslie-Fite and her family well in her new job and new surroundings in Guilford County, North Carolina. Robert A, speaking for himself, has to wonder what took Attorney Andrea Leslie-Fite so long in getting away from the kooks and crooks in the City of Shelby government?? With all their racial and economic discrimination lawsuits and the pervasive overall “caste” system in the overall Shelby culture and population.

We will all see soon enough who will be the new City of Shelby’s Interim City Attorney. Stay Tuned!!
