

Robert A Makes a prediction about plans to Build any new Schools! There are no plans by the Commissioners or the School Board to build new CCS replacement schools anytime soon! The Joint Meeting tonight with the School Board and the Commissioners is just a Hoax!! The only plan is to increase the sales tax by a quarter of a cent and start dramatically increasing the valuation of farmland starting with next year's County in-house Desk revaluation!! Predictions now by Robert A. Explanations

will come later.

Robert A says "I told you so!" in advance of your 2023 Property Tax bills. All the signs are there. All you have to do is recognize the signs for exactly what they are.
