2022 Election TIME is here!!! A Marked-Up Sample Ballot is Provided! The time for talk is over and gone. Action is NOW Required!! Go VOTE on Election Day!!! And, Robert A's Recommendations are provided in this article!! Liberal Democrats and Rogue Republicans have no place in Cleveland County Government!!! Simple explanations and recommendations by Robert A

Folks, Cleveland County is in a mess:

- Cleveland County Schools are in an educational emergency from which many students will never recover. The truth is clearly missing from CCS at every level. From food service to building maintenance to black marketing stolen taxpayer's property to mismanagement and incompetence at the top. Multiple Lawsuits that are not being talked about.
- County agencies going out of control. Like DSS, Tax

collections, the Health Department, property valuations, the commissioners telling lies, Rescue Squads being unwisely shut down, Fire Departments being set up to be taken over, Stupid plans to form a Casino Division within the Sheriff's Department. Pay being stolen away from EMS workers resulting in a lawsuit that is going to the United States Supreme Court (Connor v. Cleveland County-look it up if you don't believe me.)

- The Commissioners and School Board refusing to follow State and federal laws and then lying about it.
- Falsified documents at every level and every division.
- Citizens being lied to, yelled at and retaliated against by commissioners and school board members.
- Rogue Republicans controlling the Republican Party. Nitwits controlling the Democrat Party
- It goes on and on!!!

Now it is election time and citizens have limited choices on fixing all these problems. Actually, it will be impossible to fix all the problems in this 2022 Election in Cleveland County. But we can make a start!!!

That is the purpose of this article. Making a start in fixing the problems in Cleveland County in this 2022 Elections and finishing up in the 2024 Elections.

Lets: go down the ballot. Step by step.

First, turn your real Cleveland County 2022 Ballot over to the back side. The very last item, the Sales Tax Increase referendum is the very last item on this ballot and we ALL need to get this one right. **Robert A** recommends voting against this Sales Tax Increase Referendum!!! The Commissioners are lying when they say this will be going to build new schools. **There are NO PLANS to build new schools in the School Boards reckoning**. This is the third time in five years the Commissioners have tried this old trick to raise sales taxes and they have given different reasons every time. Folks, all

us voters need to keep voting against this increase in Sales Taxes until the Commissioners listen to the people and do what the people tell them to do. Which is get a plan FIRST and then come to us if more money is needed. And, above all, quit wasting the money that you have already been given.

On the Back Side of the 2022 Cleveland County Ballot

The Sales and Use Tax Referendum: **Robert A** recommends voting **AGAINST** this Referendum! As presently stated, there is no plan on how to spend this money. Spending money without a plan is a waste. Pure and simple.

Soil and Water Conservation District Supervisor: **Robert A** recommends marking **Malarie Thompson** and Writing-In **Ed Parker**. Both of these folks live in Upper Cleveland County and are heavily involved with all phases of ”farming.” Perhaps it is time for new blood in this important position. Especially since the Commissioners have put almost all of Upper Cleveland County in the County Land Use Plan almost exclusively for **FARMING**.

NOW, flip your ballot over to the FRONT SIDE: And mark as noted.

Federal Offices:

_

US Senate: **Ted Budd** is the recommended candidate. Budd is endorsed by President Donald Trump. **Robert A** says that is good enough for me.

US House of Representatives: **Patrick McHenry** is the

recommended candidate. Although **Robert A** believes McHenry is a little weasel, he is necessary to beat out Nancy Pelosi's crowd of socialists and defund the police crowd. Once Pelosi is long gone, then, perhaps, we can see to it that McHenry is replaced with a better candidate. In the meantime, hold your nose and vote for Patrick McHenry for US House.

State Offices:

_

NC Supreme Court, Associate Justice-Seat #3: **Richard Dietz** is the recommended Candidate. It is time to get rid of all the Democrats on the NC Supreme Court. Too many bad rulings on ballot security and redistricting. **Robert A** recommends **Richard Dietz** for this office.

NC Supreme Court, Associate Justice-Seat #5: **Trey Allen** is the recommended Candidate. It is time to get rid of all the Democrats on the NC Supreme Court. Too many bad rulings on ballot security and redistricting. **Robert A** recommends **Trey Allen** for this office.

NC Court of Appeals Judge Seat 8: **Julee Tate Flood** is the recommended Candidate. It is time to get rid of all the Democrats on the NC Supreme Court. Too many bad rulings on ballot security and redistricting. **Robert A** recommends **Julee Tate Flood** for this office.

NC Court of Appeals Judge Seat 9: **Donna Stroud** is the recommended Candidate. It is time to get rid of all the Democrats on the NC Supreme Court. Too many bad rulings on ballot security and redistricting. **Robert A** recommends **Donna Stroud** for this office.

NC Court of Appeals Judge Seat 10: **John M. Tyson** is the recommended Candidate. It is time to get rid of all the Democrats on the NC Supreme Court. Too many bad rulings on ballot security and redistricting. **Robert A** recommends **John M/ Tyson** for this office.

NC Court of Appeals Judge Seat 11: **Michael J. Stading** is the recommended Candidate. It is time to get rid of all the Democrats on the NC Supreme Court. Too many bad rulings on ballot security and redistricting. **Robert A** recommends **Michael J. Stading** for this office.

NC State Senate District 44: This office is presently held by Senator Ted Alexander. **Robert A** recommends leaving this Office **Blank**. Ted Alexander is running without opposition and will win this office no matter what. Sen. Alexander is the one who re-appointed Robert "Luke" Queen back onto the Cleveland Community College Board of Trustees after the Commissioners did NOT reappoint Luke. Causing a big and unnecessary controversy. Leave this blank as a sign to Senator Ted Alexander that his arrogance and foolishness has NOT gone unnoticed!!

NC House of Representatives District 110 and 111: These offices are presently held by **Kelly Hastings** and **Tim Moore**. **Robert A** recommends leaving these Offices **Blank**. Kelly Hastings and Tim Moore are running without opposition and will win this office no matter what. Kelly and Tim allowed the re-appointment of Robert "Luke" Queen back onto the Cleveland Community College Board of Trustees after the Commissioners did NOT reappoint Luke. Causing a big and unnecessary

controversy. Leave these offices on your ballot is blank as a sign to Representatives Kelly Hastings and Speaker of the House Tim Moore that this arrogance and foolishness perpetrated by Senator Ted Alexander has **NOT** gone unnoticed!! Along with the Rogue Republicans dirty tricks movement against School Board Candidates Dr. Danny Blanton and Dr. Ronnie Grigg, that has split the Republican Party in Cleveland County.

DISTRICT Offices:

NC District Court Judge, District 27B, Seat 1: **Robert A** recommends leaving this Office **Blank.** **Micah J. Sanderson** is running without opposition and will win this office no matter what. **Robert A** believes it is high time to break the tradition down at the Courthouse that the Lawyers get to pick the judges instead of the people. The lawyers accomplish this by picking the attorneys who THEY WANT AND THE ANNOINTED ONE will run for office unopposed. Leave this office blank as a sign that the judicial dirty tricks down at the Courthouse have NOT gone un-noticed.

District Attorney, District 39: **Robert A** recommends leaving this Office **Blank.** **Mike Miller** is running without opposition and will win this office no matter what. **Robert A** believes it is high time to break the tradition down at the Courthouse that the Lawyers get to pick the District Attorney instead of the people. The lawyers accomplish this by picking the attorney who THEY WANT AND THE ANNOINTED ONE will run for office unopposed. Leave this office blank as a sign that the lawyer's dirty tricks down at the Courthouse have NOT gone un-noticed.

COUNTY offices:

Board of Commissioners: **Robert A** recommends leaving these Office **Blank**: **Deb Hardin** and **Doug Bridges** are running without opposition and will win these offices no matter what. The Democrat Party in Cleveland County, taking the lead of the State and National Democrat Party have become so out-of-touch with the people of Cleveland County who want law and order, limits on abortion, the Bible and Prayer back in School, reasonable, rights to own firearms and other such things championed by President Donald J. Trump. Therefore, **Robert A** recommends leaving these offices blank as an indication that election laws in North Carolina be reformed to allow Unaffiliated Candidates run for office without undue restriction-like the petition process.

Board of Education: Robert A recalls well the 2020 School Board Elections. With **Robert A's** help, five of the Democrat incumbents were defeated for re-election. Only to discover that the winners were actually four Rogue Republicans and a RINO who were all using the old standby Republican Candidate's philosophy of "***Tell them what they want to hear, then do what you want!***" **Robert A** was one of the first to figure out that we all had been deceived. Badly deceived by Robert "Luke" Queen and the others. Something we clearly don't want to happen again.

Also, little did we know that Luke Queen, aided and abetted by Dennis Bailey, Kevin Whisnant, Wes Westmoreland, Ron Humphries, Joel Shores, Rodney Fitch, Pam Keller, David Allen, WeRCC and others would develop an evil plan of attack to defeat Dr. Danny Blanton and Dr. Ronnie Grigg in the Republican Primary. Which was discovered and foiled. Now, it is expected that the named Rogue Republicans are trying to

defeat Dr. Blanton and Dr. Grigg in the General Election. Using Democrat candidates.

Since the 2022 School Board elections include four open seats, the Five Rogues elected in 2020 will retain the majority until 2024, there is no need to elect any more Rogues or Democrats in 2022. Therefore, **Robert A** recommends voting for only two of the four open seats. Double shot only Dr. Danny Blanton and Dr. Ronnie Grigg in this 2022 School Board election. Then, in 2024, we will only need three more candidates with common sense to obtain a Majority on the School Board. It is a shame that this has to happen like this, but CCS is in an Educational Emergency and it will be 2024 before the election process can give our students the change that they deserve. It will also be mandatory, that in 2024 good and reliable candidates file for these offices. We got snookered in 2020. That is on them. **2024 will be on US**.

Sheriff: Alan Norman is the incumbent Sheriff of Cleveland County and is running unopposed. Sheriff Norman will win this election no matter what.

In Sheriff Norman's present term in office, he smartly switched from Democrat to Republican. This was smart for two main reasons. NO democrat other than Alan Norman could have won this office of Sheriff in the 2022 Elections. And, if Sheriff Norman was running as a Republican, No Democrat that ran could win in a General Election and No Republican would run against him in a Primary Election.

Normally **Robert A** recommends NOT voting for a Candidate that is running unopposed. This time **Robert A** recommends that every voter mark their ballot for Alan Norman for Sheriff of Cleveland County. Not that this will help Sheriff Alan Norman win (As he will win, no matter what), but will serve as a good measure of how many votes were lost by all the other

candidates that are running unopposed. A" test" of how many people are paying attention to the "real" power of the people in Cleveland County politics.

Also, for your convenience, **Robert A** has also attached a Sample Ballot that is marked up to reflect **Robert A's** recommendations that are provided above.

Folks, turn out and vote in this 2022 Election. Vote like YOU never voted before. The race for US Senator is critical. **Ted Budd** winning this election is critical to wining control of the US Senate to prevent all these multi TRILLION$ of Dollars from being wasted by the Democrats that control the US House under Nancy Pelosi, the US Senate under Chuck Shumer and the White House under the control of who know who and from moment to moment.

Vote on Election Day, Novenber 8th, if you can. Vote after 3:00 PM if you can!

Vote like our Democracy depends upon it. Because it does!!!
