

Kings Mountain High School Football Players threaten girls at Party!!! Say they will “pop a cap” on them for singing a “N-Word” song!! All on social media–CCS, KMPD do nothing!!! Gossip Report by Robert A

This report came in from a reliable source who doesn't want to be identified for fear of retaliation. Therefore, Robert A has termed it a gossip report. However, Robert A believe it is 100% true.

A bunch of Kings Mountain High School girls were having a Halloween party, singing songs, recording the party and sending out live reports on social media. There is a popular song out now that includes the “N”-Word in some form in the song.

Five Kings Mountain Football Players, some with college scholarships, were watching the party on social media and were offended by the girls singing that song. Threats were made. Including a threat to “Pop a cap” on the girls.

“Pop a cap” means to shoot someone with a firearm. Usually a

pistol.

In today's violent society, such a threat of serious violence, especially with a firearm HAS to be taken seriously. However, the source reports the incident is purposely being covered up by CCS, Kings Mountain PD and everybody else. "The boys have college scholarships" is reported to be the reason for the cover-up.

Covered up by ALL. Except for Robert A.

CCS, KMPD. The word is out. If something bad comes out of this incident, it will be on YOU! CC Sheriff's Office too. Such as this would certainly be on national news. Instantly, if not sooner. Robert A will call them himself if he has to.
