

**Death Rattle of the Shelby
TEA Party & CCGOP Rogue
Republicans!? Last second
attack on Danny Blanton in
the CC School Board Race!!!
Death by Suicide for the TEA
Party. Same for the CCGOP
Rogue Republicans. Good
Riddance to all the
troublemakers!! Report and
commentary by Robert A**

“Live by the sword, die by the sword” is an old, old saying dating back to the Bible. And Jesus. New Testament, and red lettered Matthew 26:52. (This is a good read in the Bible.) But, mostly lost on the TEA Party and the CCGOP Rogue Republican Crowd, as their MO is to trash talk somebody on Facebook, let it ride for a short period of time and then remove it. Setting off a side discussion that they deny starting. Only thing is, sometimes somebody “screenshot” their post and they are caught. The latest being TEA Partier Hayden Soloway. The 60’s Prom Queen who seldom (if ever) has an original thought. Most have already figured out that when Hayden Soloway posts anything on Facebook, somebody else put her up to it. And, apparently Hayden likes the attention as well as the notoriety.

Now, the Shelby TEA Party is in dire straits. They are or are

soon to be homeless. The Shelby Church that graciously allowed the TEA Party to use their facilities for so long has gotten caught up in the TEA Party “mess” and word is they are evicting, or have evicted, the Shelby TEA Party from their premises.

Word on the street is the NC GOP has in some way censured TEA Party member and CCGOP Executive Committee Member Guy Smith for his role in publicly endorsing Democrats for elected partisan political offices-the CCS School Board. Robert A says that is a little too little and a little too late. Plus, it is unverified. The NCGOP has been aware of this problem for many, many months and did nothing. So, who needs the NCGOP for anything? Or the CCGOP either, for that matter. Too many self-proclaimed elitists to suit regular conservative Republicans. Although it has been suggested that us “Trump” conservative Republicans take over the CCGOP and send the Rogues packing to start their own organization. Put them back into holding their meetings in a telephone booth. And since there are no more Telephone booths, let them go back to meeting under a rock somewhere.

But, that last Hayden Soloway Facebook attack on Danny Blanton, put out right before the November 8th 2022 Election day, is significant. It is like a “Death Rattle.” A gurgling and sickening sound made by a soon to be dead entity. The Shelby TEA Party’s figurative demise by suicide. Followed shortly by the CCGOP Rogue Republicans through their infighting. Doing them all in by their own foul and dastardly deeds.

As for the rest of us sane and reasonable citizens that are exercising our rights to free speech and doing our just and civic duty; all we have to do is go to the Polls tomorrow and vote. Mark our ballots according to the attached sample ballot. Vote AGAINST the proposed Sales Tax Increase referendum put out by Commissioner Kevin Gordon. Vote FOR

Danny Blanton and Ronnie Grigg for the School Board. And TED BUDD for US Senator. And the others as shown.

Then celebrate the victory tomorrow night after the votes are counted. And Wednesday Morning we can all start sweeping up the mess left by the Shelby TEA Party and the Rogue Republicans. Never again to be allowed to tear Cleveland County apart like they have done for the past six months. And, in 2024, we will finish off whatever is left of them by an even more effective “cleansing” at the Ballot Box. Hopefully with President Donald J. Trump leading the charge.

What a hoot we will all have setting Cleveland County, North Carolina and the USA aright in 2022 AND 2024. ALL by the proper utilization of our Constitutional Rights to express ourselves. At Commissioner’s Meetings as well as the Ballot Box. Especially at the Ballot Box. **Robert A** is looking forward to that.
