Bernice Speaks: Calls for Demonic Robert “Luke” Queen To “do us a favor and Stay in Hiding” Comment forwarded by Robert A

My good source, Bernice, sent this comment in regard to **Robert As** article titled ”Much, Much More has to be done to the School Board and CCS.”

Question:

If Robert Queen’s letter is PUBLIC then WHY is the PUBLIC receiving redacted/blacked out details? Robert Queen, you sent your attack letter to Danny Blanton demoralizing and demeaning him, hoping to hurt him. Your demonic attacks backfired and brought Patriots, Taxpayers, and Parents to the forefront defending Danny Blanton, and rightfully so!

The citizens of Cleveland County are sick of your blatant attacks towards Danny Blanton. You are ‘listening to the beat of low brain folks in the CCGOP’ who are and have been IN HIDING due to the attacks towards ‘selected Republicans’ Danny Blanton and Ronnie Grigg for OUR CCS Board of Education. The great citizens of Cleveland County showed you and CCGOP a thing or two about ‘the pulse of the people’ that voted for OUR school board.

You used to speak to me but now you, and those LIKE YOU, as

has been named in this email, are of the same demonic blood, yes, that's harsh, but true. You and those like you who look down their nose at me are known here in Cleveland County. Do us all a favor and stay in hiding.

Editor's Note: Bernice is 1,000% correct. There is NO place for Robert "Luke" Queen on the Cleveland County School Board.
