

Sandra Stroud puts well-deserved Double Whammy on Joe Biden!! Zero for Joe and Impeach Joe Biden Comments forwarded, provided and concurred with by Robert A

Zero for Joe by Sandra Stroud

“In the latest poll taken to measure Joe Biden’s popularity among voters he polled at 36%. All I can say about that number is that there’s 36% of Americans among us who must be living under a rock!! I will proudly rate him at 0% in popularity overall for his job approval!!

I’m sure if the pollsters will go to the Southern border in Texas and poll the illegals, they can get Ole Joe up to 100% for job performance. The millions of illegals are loving Joe!!”

Impeach Joe Biden by Sandra Stroud

“Joe Biden placed his hand on a Holy Bible, raised his hand and swore that he would uphold the Constitution of the United States. He lied!! He also swore to keep our borders safe. He swore to protect, us, the American people. He has lied about everything!! If a President ever deserved to be impeached, it is Joe Biden!!

Congress needs to grow some balls and start some Impeachment Proceedings against Joe Biden and his Secretary of Homeland Security. The United States has become a nation of illegals!!!”

Sandra Stroud

Editor’s Note: Georgia US Representative Margorie Taylor-Green, apparently close to as astute as Sandra Stroud, “grew some balls,” and has submitted Articles of Impeachment against Joe Biden just yesterday. May 18, 2023.

*Editor’s Note: **Ms. Sandra Stroud** is a fearless Champion of right and proper government in Cleveland County and the US. When Prayer at the beginning of School Board Meetings was the*

issue, Sandra Stroud stood up and voiced her strong support in front of 600+ citizens. When Shelby Schools refused to teach a deaf child, Sandra Stroud single-handedly made Shelby Schools mend their ways. When the Cleveland County Commissioners surrendered to a Federal Lawsuit against them by agreeing to a settlement that was Un-Constitutional; Sandra Stroud put her name and money behind a Federal Lawsuit and took the Cleveland County Commissioners to the US Federal Courts in Washington, DC and made the Commissioners mend their cowardly ways. When Sandra Stroud sends me her messages, I publish them. Word for Word. Sometimes satire, sometimes prose. When Sandra Stroud speaks, Robert A listens. When Sandra Stroud writes, Robert A publishes. If there is a typo, misspelling or unclear language, that is Robert A's, mistake, not Sandra Stroud.

Folks, there are more citizens like Sandra Stroud and Robert A in Cleveland County that want bullying stopped in our schools and in our School Board and education improved. We want no more corruption like what was found out about the Catawba Casino, the bribed sale of our hospital for 2 cents on the dollar, endless sales tax increase referendums, endless property revaluations where Cleveland County has deployed drones to peep into our bedroom windows looking for whatever it is that they can use to raise property taxes over. And it goes on and on.

Stay tuned folks. If you want the truth, the whole truth and justified and logical speculation, you will get it here and perhaps not anywhere else in the same detail and depth of understanding. Also, folks, if you want to throw YOUR 2 cents into our knowledge base or just share your opinion, send it to Robert A. Your identity will be protected. It is completely understood that **RETALIATION** is alive and well in Cleveland County.
