There is POWER in PRAYER!!! Invitation to Cleveland County Parents and Taxpayers!!! Bring YOURSELF and YOUR Children to the May 30, 2023 School Board Meeting at 6:00 PM!! Show the CCS School Board the REAL reason for their Existence!! Invitation by CC Concerned Citizen and taxpayer Robert A

Dear fellow Citizens, Parents and Taxpayers:
The pleasure of your company is cordially invited to the Special Called Meeting of the Cleveland County School Board scheduled for this coming Tuesday, May 30, 2023 at 6:00 PM. The location is the CCS Central Services Building Auditorium located at 400 West Marion Street in Shelby, NC.

The Program for this meeting is shown below. As you will see, the meeting starts with a Meeting Opening that is followed by an Invocatiion. This Invocation is scheduled to be “A Moment of Silence.”

When this Moment of Silence is called, all persons in attendance who are concerned about the Educational Emergency that has been called by the NC Governor, Bullying at CCS Schools, Vandalism and the destruction of School Property

recently at Burns High School and the lack of a criminal investigation and arrests, are asked to RISE during this Invocation/Moment of Silence and remain standing as you silently Pray for 45-60 seconds that the School Board will take the right and proper actions for the many issues and problems that are presently interfering with CCS providing a sound basic education for the children of Cleveland County. Also, please include in your Prayer a request to our Maker to lead, guide and direct School Board Members Ronnie Grigg, Danny Blanton and Aaron Bridges in their continued investigation of the Vandalism at Burns High School that they have already begun.

Also include in your Prayer a request for Devine assistance for Samantha Davis in her quest at Parents Against Bullying, NC, LLC to eradicate Bullying at Cleveland County Schools.

Please note the following CCS Special Called Meeting Agenda (below) for the order of the Invocation in the meeting. And, remember to Rise and recite your silent Prayer for 45-60 seconds. Prepare your children to do the same. Let the School Board see for themselves the REAL reason that the School Board exists in the FIRST PLACE. And hopefully this demonstration will convince the School Board to stop their bickering and complaining and get on with the business of doing what is best to provide that right and proper education of our children. There is POWER in PRAYER and it is time for us citizens to do our part too.

Greetings Trustees,
My apologies for having to send this but one of the Trustees has jumped into the fray of social media postings regarding the senior prank at Burns High School. As community leaders, I hope you guys can help squash some of the rumors and gossip that is going around.

A senior prank did happen at BHS. The principal was present the whole time. Some students did things beyond what was agreed to. Once that started, the principal directed them to leave the building. The principal was able to clean up about 95% of the mess before start of school the next morning. She literally worked all night by herself. Custodians helped her finish in the morning. The only real damage was a microwave and two old wooden tables. Social media posts have greatly exaggerated almost every detail of the event. I could provide more details but the matter is still being reviewed by the superintendent.

If it means anything, I know the principal, I have spoken to her, and I support her 100%. She has done an excellent job at BHS. The community has taken her in and she has created a new sense of community and pride at Burns. The Bulldogs have had an outstanding school year.

If you have any questions, please feel free to call me directly. Please do not assume any truth in any social media posts or news articles.

Thanks,
Robert
