

# **The Tim Moore Lawsuit Resolved, never to be talked about Again!! WR0000NG!!! Has Tim Moore been VINDICATED?? NOooo! Facts, Report details and commentary by Robert A**

News media of all kinds, including the Shelby Star, have NOW reported that the Tim Moore “Alienation of Affection” Lawsuit has been RESOLVED. That Tim Moore and the cuckolded husband have reached an undisclosed and confidential agreement that has been mutually agreed upon and Mr. Scott Riley Lassiter has dismissed the lawsuit against Tim Moore. Therefore, everything is over and done with and Tim has nothing else to be worried about. Resolved, means RESOLVED, RIGHT??? WR00000NG!!!!!! In fact, NOTHING has been resolved for Tim Moore. Only delayed. A cool, calm and deliberate legal maneuver that puts Mr. Scott Lassiter in the driver’s seat and Tim Moore hoping for the best. Mrs. Jamie Lassiter, not an actual party to this lawsuit, will likely end up as the biggest loser.

Folks, Robert A has advised you all along, don’t pay much attention to all the public political posturing, gossip, big-talk and now secret wheeling and dealing going on in the news media and all the guessing about how and what is going to happen. Whether Tim Moore (or somebody) has secretly paid off the \$200,000 asked for in the lawsuit. And, other such trivia. Don’t you remember that just two weeks ago Tim Moore was making the rounds doing media interviews with the press that he was going to court and prove himself innocent. To “Vindicate” himself was the word that Tim Moore used. Now, some secret agreement between Tim and the husband and Tim’s

case is "Resolved." Does "Resolve" and "Vindicate" mean the same thing??? Nope, Not by a long shot!! Let's look at exactly what has transpired here from a Legal and legitimate Court Procedure prospective to see just exactly what has happened.

Mr. Scott Riley Lassiter's Attorney (formerly a Wake County District Court Judge) Alicia Journey has waltzed on down to the Wake County Courthouse this past week and filed a Voluntary Motion to Dismiss without Prejudice (Under NC Rules of Civil Procedure, Rule 41(a)1) Mr. Lassiter's Alienation of Affection Lawsuit against Speaker of the House Tim Moore. Under this Rule, Mr. Scott Lassiter could re-file his exact same lawsuit or a modified Lawsuit against Tim Moore within ONE YEAR, no questions asked. That is the law and that is how it is. Nothing has been "resolved" by anything in the law regarding this lawsuit that puts a stop to Mr. Lassiter's lawsuit against Tim Moore. It, the lawsuit, is only delayed for up to a year. To right in the middle of the 2024 Elections with Tim Moore allegedly seeking a higher office. NC Governor, US Congress (US House or US Senator) or the like.

Editor's Note: Wouldn't the Democrats just love for Tim Moore to once again be in the middle of a national level sex scandal??? With a ladder-climbing married woman with an apparent morality index somewhere between a "cheap whore" and a "floozy." Claiming to be separated but living in the same house with her husband for all those years she was "sleeping around" and "sneaking around" with Tim, in Raleigh. Tim will have to explain for himself what he was up to away from Raleigh.

Now, let's get back to Tim's Raleigh lawsuit, his secret agreement with his paramour's husband and her likely immediate future.

Robert A predicts that Tim Moore or those close to Tim Moore made some cash payoffs to Mr. Scott Lassiter as well as something Mr. Lassiter was seeking ever since he discovered

his wife's "infidelity" with Tim Moore on December 22, 2022. For Tim Moore to just stay away from his wife, Mrs. Jaime Liles Lassiter. "Separated" in some weird sort of way or not from her husband, Mr. Scott Riley Lassiter.

Although Tim was dumb for finding himself involved with such a lawsuit, frivolous or not, Tim Moore is not known for being stupid. Tim would have been stupid to have done anything but accept such a deal, including staying away from Mrs. Jamie Liles Lassiter.

Mrs. Jamie Liles Lassiter, in the meantime, had apparently come to believe that she would be financially better off to take up more with Tim Moore and feed Tim with damaging information about her husband. \which may or may not have had anything to do with the secret agreement between Scott Lassiter and Tim Moore.

So, Scott Lassiter now has Tim Moore staying away from Mrs. Jamie Lassiter. And knowing that Jamie Lassiter has turned against him as well as Tim Moore turning against his hormone relationship with Mrs. Lassiter; Mr. Lassiter may very well be ready to "shit-can" his unfaithful wife and get Mrs. Jamie Lassiter out of the house and into divorce court. On his terms.

With all kinds of media watching Tim Moore like a hawk, Tim Moore will NOT try to help Mrs. Lassiter keep or advance in her job with the State, nor do anything directly to get Mrs. Lassiter removed from her State job. Others may do that for Tim Moore. And no man in authority with state jobs will step up to assist Mrs. Jamie Lassiter with her "strong woman" mentality for fear of Mr. Scott Lassiter filing an embarrassing lawsuit against them. Or want to be seen (or caught) as an older man being seduced by an attractive younger woman likely using him as a stepping stone. Like a string of Tim Moore's.

As for Tim Moore, Tim must mend his ways to keep his hot dog

out of the wrong buns and perhaps mend a few fences, if that is still possible. But Tim may survive politically with all that he wants to do. With ONE Major Exception. Tim's unfounded alliance and unwise political support for CCS School Board Chairman Robert Queen. The CCC BoT appointment and especially the \$30 Million construction of the Auditoriums at Burns and Crest High Schools. If those auditoriums end up having design and construction problems that make them unfit for their intended purpose due to the Rogue School Board's refusal, under Robert Queen, to allow valid public concerns to be considered prior to the design and construction of those auditoriums. Tim's lack of Judgement regarding Mrs. Jamie Liles Lassiter PLUS Tim's lack of Judgement regarding his support for Robert Queen may be the end of Tim Moore's political career. And rightly so!!!

Stay Tuned folks, this ain't over until it is over.
