

Tim Moore Still Making News!! Even when it's Old News??

WBTV-3 News Reports Tim has confirmed he will not seek another term as Speaker of the House, may run for Higher Office!! Also throws in the Dismissed Lawsuit regarding Tim's admitted affair. Report and commentary by Robert A

WBTV-3 News published a piece written by the Associated Press this past Saturday (July 15, 2023) titled North Carolina House Speaker Tim Moore confirms he won't seek another term leading the chamber. The article contained a "mish-mash" of old accounts about Tim Moore's history in the NC House, the recent, but now dismissed (delayed) Alienating of Affection Lawsuit against Tim and a few accounts by other Republican officials that Tim has been talking for some time about not seeking another term as Speaker of the House and maybe running for higher office. The whole WBTV-AP Article reminded Robert A of the old Wendy's advertisement, "Where's the Beef??" Like, where is the NEW news in this article?? Like maybe George Soros, NC Governor Roy Cooper, Joe Biden and their Dim-o-crat buddies were keeping Tim's lawsuit news fresh in the minds of North Carolina and especially Cleveland County's voters in hopes of defeating Tim in the 2024 Elections for whatever office Tim might be seeking.

Sorry George, Roy and Joe!! That is the job for Robert A and the rest of us voters here in Cleveland County and North Carolina. All us folks here will be keeping an eye on the exploits of Tim Moore and every other candidate for Elected Office in the 2024 Election Cycle. If Tim Moore deserves to be sent home, then WE will send Tim Moore home. Just like we are going to send home the five incumbent School Board Members (Robert Queen, Joel Shores, Ron Humphries, Rodney Fitch and

Greg Taylor) and send home the three incumbent County Commissioners (Kevin Gordon, Johnny Hutchins and Ronnie Whetstine) in the 2024 Elections.

Folks, Here is the [Link to the WBTV-Associated Press Article](#) about Tim Moore. See if YOU can find the “Beef.” Stay tuned for any additional newsworthy information.
