

# **CCS School Board Chairman Says Board members Blanton and Grigg Must Gave up Constitutional Rights when they Serve on the School Board!! Votes Against Discussion, Threatens Robert A for asking a question!! Eye Witness Report and commentary by Robert A**

***Editor's Note: CCS School Board Chairman Robert Queen, at the 9/11/2023 School Board meeting, did more damage to America than all the terrorist attacks 22 years ago.***

By all measures and accounts, CCS School Board Chairman Robert Queen is a traitor, a terrorist, and a madman. At last night's School Board meeting on the 22<sup>nd</sup> anniversary of the 9/11 terrorist attacks upon America; School Board members Danny Blanton and Ronnie Grigg rightly and upon advice from multiple Constitutional Attorneys, accused Robert Queen, Rodney Fitch, Joel Shores, Ron Humphries, Walter Scott Spurling and Greg Taylor of violating their Constitutional Rights. Blanton and Grigg were specific. They correctly listed violations of the First, Fourth, Fifth, and Fourteenth Amendments of the US Constitution during that infamous "Mock Hearing" earlier this year where those six voted to Unconstitutionally censure Blanton and Grigg. To be even more specific:

1. Their First Amendment rights to free speech were clearly violated.
2. Their Fourth Amendment rights to protection against unreasonable searches and seizures were violated.
3. Their Fifth Amendment Rights against Blanton and Grigg's rights to a fair trial were violated badly by the Queen Crowd's Kangaroo-type phony hearing. Blanton and Grigg were not allowed to face their accusers and speak freely in their own defense.
4. Their Fourteenth Amendment rights as US Citizens to due process and equal protections under the law were severely violated in many, many ways.

Queen's tyrannical response to these accusations was that "School Board Members Constitutional Rights are lessened when they serve on the (CCS) School Board."

All this happened near the end of the School Board Meetings Regular Agenda during the section named Board Member Comments. Leaving the audience present, including Robert A, completely and thoroughly shocked by Queen's foolish, angry, and certainly unpatriotic outburst.

After the meeting was temporarily closed for a closed session, Robert A asked School Board Chairman Robert Queen to "explain just how School Board members Constitutional Rights are lessened when they serve on the CCS School Board??" Robert Queen's response was quick and threatening. "I don't have to explain a damn thing to YOU," was Queens first words. Then Queen threatened Robert A with expulsion from the meeting which had just been adjourned for the Closed Session that was to be held in another part of the building. Robert A quickly informed Robert Queen that the meeting was presently over and he (Robert Queen) now had no authority to expel anybody. That Robert A had just as much right to be on Cleveland County taxpayer-owned property as Robert Queen did at that point. Robert Queen's face turned as red as a beet and took an evil and mad expression. "I'll have you thrown out of here" was

Queen's words as he moved closer to Robert A in such a manner that he intended to strike Robert A, but Queen's advance was blocked by the dais between the two. For an instant, it appeared that Robert Queen was going to jump over the dais partition to the level below where Robert A was standing unmoved. Then Robert Queen noticed that everybody present at that moment was watching him. Queen, in a touch of reality, then turned away toward the exit to proceed to the Closed Session that had just been called moments before.

Such a man of vile and uncontrolled temper and delusions of grandeur as Robert Queen has reportedly acted like this before in front of the Cleveland County Commissioners. Who, in a correct response, determined that they would not reappoint Robert Queen to the CCC Board of Trustees. Only to have State Senator Ted Alexander reappoint Queen to the CCC BoT as a General Assembly appointment. This immediately started an immediate uproar within the Cleveland County Republican Party that has caused terrible divisiveness over the past several years. And will continue to do so until Queen's supporters are finally removed from positions of leadership in the CC GOP and Robert Queen is defeated in the 2024 School Board elections. Gossip has it that Robert Queen has plans to run for Speaker of the House Tim Moore's seat in the NC General Assembly in 2024, with Tom Moore's endorsement, while Tim Moore runs for a higher office.

Judge for yourself just how foolish and deranged CCS School Board Chairman Robert Queen seems to be.

Stay tuned folks. This Robert Queen affair with Robert Queen's illegally censuring School Board Members Danny Blanton and Ronnie Grigg may be heading to a lawsuit. It seems that news out of Virginia shows that actions of Defamation by Robert Queen against Danny Blanton and Ronnie Grigg may be a more swift course of legal action against Robert Queen than legal actions against Robert Queen in Federal Court over the Constitutional Rights violation perpetrated against Blanton

and Grigg as previously noted. Also, note that Queen and his Waterboys have defamed Blanton and Grigg in what is called Defamation per se. This means Defamation on its face due to Queen, et al censoring Blanton and Grigg on the grounds of an "ethics" violation. Which automatically causes damage to a person's reputation and standing in the community. Many would contribute to Blanton and Grigg's legal bills if they chose this course of action. The shenanigans of Robert Queen, et al must be stopped as soon as possible. The 14,000 students attending Cleveland County Schools deserve better leaders than this.
