

There is a False and Deceptive Rumor Going Around!!

Editor's Note: Let's start with the highest law of the land. The United States Constitution. The very First Amendment, which says:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

NOW, folks, there is a False Rumor Going Around that Robert A, when elected a Cleveland County Commissioner, will not be able to write and publish any more political articles like he HAS already been doing for over 30 years. One read through the Text shown above of the First Amendment of the United States Constitution PROVES that this rumor is false and knowingly false. So, Robert A has nothing more to say about that part.

However, the TRUTH of the matter has no consequence for those that are out spreading around this false information. Their intended purpose is to DECEIVE the citizens and voters of Cleveland County that Robert A's writings and publications are somehow wrong, unlawful and should NOT be believed.

But, more to their point is the DECEPTION; "That voters should not vote for Robert A for Commissioner in the 2024 Elections.

Folks, this is an old political trick here in Cleveland County and should NOT be believed! Every reasonably person should realize this old trick for what it is. That Robert A, as a Commissioner, would never support the corruption and bad planning that is goings on in CC. That the grifters and grafters are afraid that their "favours" will soon be over

with. Robert A would change this about CC and YOU should vote for Robert A for Commissioner, so he can get the job done that needs to be done. and YOU know this is true!!!
