

Wake Up Cleveland County!!

Good morning all you good Cleveland County folks. Listen up!

This example of the filthy trash that is being made available to our children at school and on the streets of Cleveland County was sent to me today by a parent that said books of this nature are being sold at a “book fair” in Cleveland county.

NOW, folks, YOU can't say that YOU didn't know!!!

However, There IS A SOLUTION to all such as this!! See below!

Elect Robert A Williams for Cleveland County Commissioner in 2024.

This is the campaign sign that cannot be bought or stolen!!

Enough said!!
