Wake Up Cleveland County!!

Good morning all you good Cleveland County folks. <u>Listen up!</u>

This example of the filthy trash that is being made available to our children at school and on the streets of Cleveland County was sent to me today by a parent that said books of this nature are being sold at a "book fair" in Cleveland county.

NOW, folks, YOU can't say that YOU didn't know!!!

However, There IS A SOLUTION to all such as this!! See below!

<u>Elect Robert A Williams for Cleveland County Commissioner in</u> 2024.

This is the campaign sign that cannot be bought or stolen!!

Enough said!!
