

Justice Center Project's "Dog and Pony Show" Mostly Goes as Predicted!!! Only "Yea-Sayers" get to participate in Dedication Ceremonies!!

Editor's Note: The Shelby Star Reporter, Rebecca Sitzes, was present at this May 21, 2024 Dedication Ceremony for the new Justice Center Project. Since Robert A has "scooped" the Shelby Star so many times in the past and so often "embarrassed" the CC Commissioners by revealing the truth of their deceptions. Thus, causing the Commissioners to attempt to cover-up the facts of the matter with phony Press Releases published in the Star; such that Robert A has decided to give the Shelby Star and the Commissioners a few days so the Commissioners and the Star can "Scoop" Robert A.

Folks, Stay tuned for the truth about this Justice Center in an upcoming article that will dispute any deceptions and propaganda the CC Commissioners and the Shelby Star might want to "cook up"

Also folks, note that there was a Cleveland County Commissioner's Meeting at 6:00 PM on this very same May 21, 2024 evening where the main item on the agenda was the "Draft" 2024-2025 fiscal year budget presentation made to the most expensive budget item in Cleveland County HISTORY, the New CC Justice Center Project, was not included in this draft budget presentation, nor was one word spoken about it. By any Commissioner or the County Manager!!!

CC Taxpayers, YOUR CC Commissioners are about to significantly increase your Property Tax BILL in 2025. If not before.

The ONLY way to have a chance to stop the mess, IF IT IS NOT TOO LATE ALREADY, is to.
