

Part II; Happy Days Are Here Again, the Skies above are Clear again!

Robert A just finished watching on TV President Donald J. Trump's Presidential Election Inauguration Ceremony in Washington, DC. At first It appeared to be more like the Coronation of KING Charles in England than any political event in the USA. This was just a bit "troubling" for Robert A, but he soon got over it. From about 11:30 AM until 9:00 PM, President Donald J. Trump it was nonstop. From Trump's swearing in and his well laid out acceptance speech until Trump was signing Executive Orders much later that night, it was obvious that Trump was right in his statements that the US was at the beginning of a "Golden Age." Trump signed Executive Orders from stopping the invasion at our Southern Border, to better crime control, to "Drill Baby, Drill", to no men in women's sports. to the beginning of the Hostage Exchange in Israel, to ... And holding Press Conferences all in between. One reporter stated that President Trump had interacted with the press in that one day than Joe Biden had held in four years.

One item that caught Robert A's attention was regarding Education of our Children. President Trump wants to get rid of the Federal Department of Education and return Education to the States and to the parents. Robert A has more to say about thi8s in a future article.

As far as the Biden/Harris Administration ending, news started coming in that Outgoing President Joe Biden had also been busy earlier this same January 20, 2025/ morning. Biden had issued last minute Pardons, Not only for his son Hunter Biden, but for Four-Star General Mark Milley, Anthony Fauci (of COVID

infamy), Adam Schiff, Lynn Cheney and ALL of the phony January 6th Committee members and Staff, Thousands of criminals as well as the whole Biden Family-Joe Biden's Brother, Sister, and Spouses all around.

Falsely stating that the acceptance of Pardons did NOT constitute any "guilt" associated with the pardon. Although the US Supreme Court clearly ruled back in 1910 that GUILT **WAS** associated with anyone accepting a Pardon. **Meaning that President Joe Biden has lied to the citizens of the United States from his first minutes in office until his last minutes in office. No surprise there.**

All in all, **Robert A** concluded that his **Part I** Article on this same subject was **1,000% Correct. Happy Days are Here Again, the Skies above are clear again!!!**

Happy days are here again!
The skies above are clear again
Let us sing a song of cheer again
Happy days are here again!

So long sad times, go long bad times,
We are rid of you at last;
Howdy gay times, cloudy gray times
You are now a thing of the past.

Happy days are here again!
The skies above are clear again
Let us sing a song of cheer again

Your cares and troubles are gone
There'll be no more from now on!

The skies above are clear again
Let us sing a song of cheer again
Happy days are here again!

(and Robert A has personally added one more verse.)

Happy days are here again!

No more Biden, Harris, FBI, DOJ and FEMA to fear again

They have all been severely kicked in the rear my friends,

Happy Days are here again!!!

PS: Now, my friends, it's time to get back to cleaning house
back here in Cleveland County, North Carolina. There is very
much work that still needs to be done!!!
