

NAACP Calls for CCS Superintendent Stephen Fisher to Step Down!!

Report, Eritas, research, conclusion and opinions **provided by Robert A**

The FACTS: CCS Superintendent Stephan Fisher was appointed CCS Superintendent by a Democrat Controlled School Board under False Pretenses in 2014. And has existed as CCS Superintendent, still under False Pretenses, at CCS during a switch to an All Republican School Board ever since 2020. Taking CCS from a **barely passing** school district in 2014 to a FAILING School District in 2023. And, on top of all that, CCS Superintendent Stephen Fisher has led the all Republican School Board CCS to SURRENDER to SIN at the Hands of the ACLU and the LGBTQ+++ crowd. Also, under False Pretenses according to rumors.

But the Cleveland County NAACP had CCS Superintendent Stephen Fisher figured right from the very start.

Hey folks, Don't Believe **Robert A**! You can see for yourselves by opening the following link to a WSOC TV Broadcast from May 20, 2014. You can read the report and watch the video. And, if you watch the video closely, YOU will also see for yourself a closeup view of **Robert A** sitting in second row of the "packed house" audience taking notes for himself, clipboard, pen and all, as the TV camera quickly "pans" the audience.
